

Anagrams

On a tram journey from Seaton to Colyton you will travel alongside the Axe Estuary and through Seaton Wetlands and Seaton Marshes. The area is bursting with wildlife and makes the perfect habitat for many different species.

Rearrange the letters to spell the names of some of the wildlife you might see on your tram journey:

TWARE EOLV

A small brown furry mammal that lives on riverbanks.

YGER OHENR

Tall black, grey and white bird with very long legs. Eats fish, ducks and small mammals.

TEITLL TGETR

A white heron with black legs and yellow feet.

DHESLCUK

A large colourful duck with a dark green head and neck and a red bill.

CCRHOSRETAYT

A noisy wading bird that makes a 'peeping' sound. Like to eat shellfish.

TROET

A large mammal that lives in rivers and is an excellent swimmer and hunter. Live in underground riverside burrows called 'holts'.
