## Welcome to Seaton Tramway

Founder, Claude Lane, purchased the former railway branch line between Colyton and Seaton in 1969 and moved the Tramway here which had been operating in Eastbourne for the previous 15 years. Now with a permanent home for his fleet of trams, Claude and his assistant, Allan Gardner, could start constructing their new 3 mile tramway through the beautiful Axe Valley. After a winter of hardwork and perseverance, Seaton Tramway first began operating on 28th August 1970 with Car 8 making its first return trip between Riverside Depot and Bobsworth Bridge.

### Colyton Station

Colyton Station is the original station building which opened in 1868 and operated as 'Colyton Town' Station for the 98 years the branch line was in operation before closing in 1966.

Purchased along with the railway line, the Station reopened to the public as part of Seaton Tramway in 1980 and is now home to a Café, Gift Shop and Ticket Office.

Special events hosted at Colyton Station include our Pirate Tram and Dinosaur Tram Adventure.

You can even get a taste of what it is like to be a Seaton Tramway driver with our Driver's Eye Experience which departs year round.
