**CAN YOU SPOT THE TRAMS?**

**14 TRAMS: A TRIP DOWN MEMORY LANE**

The trams are narrow gauge (2’9”), purpose built by the company with designs based on some of the heritage trams that served our towns and cities in the first half of the last century.

**HOW TO GET HERE**

**DIRECTIONS**

From Lyme Regis or Sidmouth follow A3052 for Seaton where brown signs will direct you to the Tramway and Seaton car parks. The Tramway Station is next to Tesco and Seaton Jurassic. You can also follow the brown signs from Colyford from the A3052 to our Colyton Station.

Visitors are reminded that the car park at Seaton is a Pay and Display run by East Devon District Council. The recommended time for a return tram trip is at least 3 hours longer at peak periods. A cheaper car park is available (£1.50 for a 4-hour stay) across the Underfleet road before entering the Co-op car park. If you wish to visit the Gift Shop, Tramstop Café or the town of Colyton, please allow for this when you pay for parking at Seaton. Parking is free of charge at Colyton Station.

**ACCESS for ALL**

Folding pushchairs and wheelchairs can be accommodated on most trams. Some trams have space for non-folding wheelchairs or mobility scooters. At least one of these accessible trams runs each hour but please call us to check on running times. An accessibility Guide is available on our website and on arrival at our stations, our staff will be happy to assist.
